Our mission is to make fresh, high-quality food accessible and affordable for every household.

Company Overview

Founded in 2005 by siblings Maria and Roberto Ferretti, FreshMart started as a single store in Fitzroy and has grown steadily by focusing on fresh produce, competitive pricing, and genuine community relationships. By 2025 we operate 12 stores and employ over 850 team members across Melbourne. We source more than 60% of our fresh produce directly from Victorian farms, reducing food miles and supporting local agriculture.
