

Grain & Glory

Artisan Bakery & Patisserie | Menu & Price List 2025

Grain & Glory Artisan Bakery was founded in 2012 by head baker Sophie Renard in the heart of Fitzroy, Melbourne. Everything we make is crafted by hand using traditional methods: long-fermented sourdough, laminated pastry dough prepared fresh every morning, and celebration cakes built on recipes refined over 15 years of baking. We use stoneground flours from Australian heritage wheat varieties, local free-range eggs, and cultured Australian butter in everything we make.

Sourdough & Artisan Breads

Our breads are slow-fermented for 18-24 hours using our house sourdough culture, which Sophie brought back from a two-year apprenticeship in Lyon, France. All loaves are baked in our stone-deck oven starting at 5 am. Whole loaves are available until sold out; sliced loaves are available by request with 24-hour notice.
